

Project Profile | Ripken Baseball - Corporate Headquarters

Use: Corporate Headquarters
Location: Aberdeen, MD
Size: Approximately 5,040 Sq. Ft.

Need

The customer wanted a more centralized location for their administrative operations that maintained a consistent visual theme with their brand and other on-site facilities.

Solution

To meet the Ripken team's requirement for a unified office space, Wilmot customized a 7-Plex office building. With seven modules covering 5,040 square feet, the office building provided a centralized location for Ripken Baseball's administrative operations. Additionally, vinyl graphics were installed to align with the adjacent merchandise building, showcasing Ripken's brand identity.

- Hi-Rib steel exterior, extending to the roof deck
- Vinyl graphics to align with adjacent merchandise building
- Office layout facilitates seamless personnel workflow
- Carpet tiles and commercial roll vinyl in the restrooms and
- Kitchenette areas to add a touch of sophistication
- Perimeter offices, conference room spaces and bullpen workstations efficiently located
- Metal landings, steps, ADA ramp, and canopy at main entrance
