

# PROJECT PROFILE |

## Custom Modular Office Space - Washington Redskins

**USE: Public Relations & Marketing Offices**

**LOCATION: Landover, MD**

**SIZE: 4,320 Sq Ft**

### NEED

The Washington Redskins required a design that would complement their existing training facilities. A high end, professional image was very important, along with being a fast track project that needed to meet an expedited schedule.

### SOLUTION

- The pleasing architectural finish helped satisfy the customer's needs.
- The project was completed under budget and finished within only 51 days from the date of contract to completion.
- Hardipanel exterior
- Site-built 2 ft overhang with soffit lighting
- Green tinted insulated windows and doors
- Executive office suites and conference center
- Ceramic tile and carpet tile used throughout
- Upgraded T-Grid ceiling system
- High energy saving light ballasts
- Exterior Bumpouts with flags to match existing structure
